The Successful Aging Model: Can we fail at aging?

Have you ever wondered what it means to be 'successful' at aging? Is it possible to fail at aging? Join us for a lively discussion on the 'successful aging' model and help us come up with another way to look at aging well. Food and beverages will be provided.

Mary Fox

Assistant Professor
Career Scientist, OMHLTC
York University

Joe Baker

Associate Professor
York University

Chantell Tunney

Senior Consultant,
Planning & Integration
Central LHIN
